

Whatever You Love

Shortlisted for the Costa Book Award ? Longlisted for the Orange (Baileys) Prize When two police officers knock on Lauras door, her life changes forever. Her nine-year-old daughter Betty has been killed in a hit-and-run car accident. When the death is ruled an accident, Laura takes revenge into her own hands. But will her daughters killer be brought to justice? Lauras loss and bereavement re-open old wounds and she is thrown back to the story of her passionate love affair with Bettys father David, their marriage, and his subsequent love affair with another woman.
