

The Five-a-Side Bible

If you play football, the chances are you play 5-a-side - its by far the most popular version of the game in the UK. But its much more than a game. Its an unbeatable fitness regime, its a social club, its an elite sport, its what we do when we get too old for jumpers for goalposts. The 5-a-side Bible tells the whole story. Theres sports science, the low-down on tactics and nutrition, how to use warm-ups and warm-downs to optimise performance. But theres also the fun side of fives: crazy team names - The Neville Wears Prada, Murder on Zidanes Floor - wacky stories of ill-discipline and injuries, outlandish excuses for not playing, kit disasters and a bucket list of the worlds most iconic 5-a-side pitches. Produced by BackPage Press (Football Manager Stole My Life), Freight and 5-a-side.com, this is the book 5-a-side has been waiting for.
