

Lesbian Erotica, Volume 2: Four new hot tales of desire

GOING SOLO by Alex Severn Boredom was what pushed Abbi to view some on-line porn; solo girls masturbating in the most inventive ways. Spurting and squirting, it was obvious that they knew what did it for them but would Abbi be able to reach the same passionate heights? COMING IN THREES by R. Mary Esade Careful what you wish for indeed when you are a foxy yet sedate lesbian salon owner and an older woman and her younger friend come to your shop expecting more than just a cut and colour. ELEVATOR ECSTASY by Julia Jones Getting a bad case of the munchies late at night and then becoming stuck in a stalled elevator is not an obvious path to love. But with a Titian-haired beauty involved, its red for go in the ups and downs of an unforgettable night of passion. POMEGRANATES by Olivia London Doris and Kitty have been sharing a good life together in San Francisco. They are, for the most part, well suited until one falls prey to distraction. Will Kitty win her lover back or will Doris give up a spankin good thing and take a chance on another?
