

Wild Fire (Silhouette Intimate Moments)

Battling a fire at a friends house turns into a nightmare when firefighter Shelby Fox becomes the only witness to a murder. Unfortunately, a bad fall at the killers hands leaves Shelby with traumatic amnesia and plunges her life into danger. Assigning himself as Shelys personal protector is Detective Clay Jessup, her best friend and someone she always counted on. But as they work to find the murderer, a fierce desire begins to replace the simple friendship they once saw in each others eyes. After all these years, could there finally be something more between them, or are they just flirting with danger?
