

Wild Heat (Hot Shots: Men of Fire Book 1)

He's a hotshot firefighter addicted to risk. She's the sultry beauty he never saw coming. Maya Jackson doesn't sleep with strangers. Until the night grief sent her to the nearest bar and into the arms of the most explosive lover she's ever had. Six months later, the dedicated arson investigator is coming face-to-face with him again. Gorgeous, grinning Logan Cain. Her biggest mistake. Now her number one suspect in a string of deadly wildfires. Risking his life on a daily basis is what gets Logan up in the morning. As the leader of the elite Tahoe Pines Hotshot Crew, he went back down from a blaze or from beautiful, lethal Maya Jackson. She may have seduced him with her tears and her passion, but it'll be a cold day in hell before Logan lets down his guard again. But when Maya's life is threatened, his natural-born-hero instincts kick in, and Logan vows to protect the woman sworn to bring him down. And as desire reignites, nothing but the killer fire nor the killer hot on their trail can douse the flames. From the Paperback edition.
