

Will Dollars Save the World?

Henry Hazlitt had left the New York Times in an ideological disagreement over postwar economic policy. Once he left, he was free to speak his mind on the important issues of the day, among which was the Marshall Plan. This is his blockbuster argument against the idea of putting postwar Europe on the American dole. He made the case that aid would forestall rather than generate economic recovery. To search for Mises Institute titles, enter a keyword and LvMI (short for Ludwig von Mises Institute); e.g., Depression LvMI
