

## My Winter Olympics 2014

This interactive guide is designed for the reader aged between 6 and 16. It is a fun, informative guide to the various sports and events at the Winter Olympic Games of 2014. The guide is laid out in a way that is easily accessible to the reader, and gives information on the previous winner in each event along with their winning time or score. It provides space for them to enter the results of the 2014 winner and this serves as an ideal way to allow the reader not only to interact with the games themselves, but also helps to create further excitement and provides for long-term memories. This is a must for any child who loves Sports in general or the Winter Olympic Games more specifically.
