

## X-Men #6 (X-Men Curse Of The Mutants)

CURSE OF THE MUTANTS, conclusion! Somehow, the X-Men have weathered the vampire raid on Utopia, but mutants cant claim total victory yet. Jubilee still needs the X-Mens help, and Xarus still commands an overwhelming force of bloodsuckers. Will Draculas intervention be the final nail in Xaruss coffin...or will he make even more trouble for the X-Men than his upstart son ever could?
