

The Boy Who Wouldnt Swim

Electric, sherbet-y colors, uniquely comic characters, and a story line filled with high comedy mark this fabulous picture book by new talent Deb Lucke. Eric Dooley just wont swim. If sweating in the hot summer sun while everyone else cools off in the pool isnt bad enough, Erics younger sister is having the time of her life. When he sees her dog-paddling right across the middle of the pool, under his sunblock hes positively green with envy. Not to mention sweaty. And irritated. But after the babies in the wading pool give him dirty looks for invading their territory, Eric finds a way to conquer his fears. And just like that he goes from being the boy who wouldnt swim . . . to being the boy who wont get out of the pool. Not even in October.
