

Once Upon a Night at Sea (Princess Cruises Presents: Kindle Love Stories)

A spilled latte. A broken nose. Marin and Jason are bracing themselves for anything except finding love on the high seas. Things don't start off on the right foot between Marin and Jason. After all, spilling caramel latte all over the hottest guy she's ever laid eyes on isn't the best way to make a good first impression. And, based on his brusque reaction, Jason isn't quite Marin's type, anyway. But when Marin wins the trip of a lifetime—a weeklong Caribbean cruise aboard the spectacular Emerald Princess—she's shocked to find the sinfully handsome guy she'd doused in coffee back home occupying the stateroom next door. Even more shocking? Cruising on the high seas just might turn the tide of romance their way.
